San Antonio, Texas (March 2, 2022) – On March 1st, 2022, the people of House District 125 demonstrated their trust in the leadership of State Representative Ray Lopez as they voted him to typify democratic principles in the coming November General Election for the third consecutive time, where he will face a Republican challenger.

Over the last eight weeks, Team Lopez has worked diligently to listen, educate, and assist voters in House District 125 and beyond. With the help of family, friends, volunteers, neighbors, and staff, Team Lopez has been able to engage with tens of thousands of Texans with a promise to take their feedback to Austin and turn good ideas into meaningful legislation. The previous three years of Rep. Lopez's efforts in the State Capitol assured constituents that he is an effective, assertive, and sensible legislator; coupled with his open-mindedness, the rich dialogues that he shared with his neighbors will be the foundation for future positive change in Texas.

Following the confirmation of his victory, Representative Lopez said that “[*he is*] *extremely honored to have maintained the confidence of my community for the past three years. Your belief in me is not misplaced, and I am eager to address the issues of the day.
